WHY US

Whitehall America is a full-service national investigation and consulting firm. We serve a broad spectrum of clients from individuals, small-to-mid-sized corporations, Fortune 500 companies, government, respected law firms and insurance companies through virtually every line of business. We take pride in our commitment to superior customer service and consistent high-quality results. Nothing less! You have high expectations, and so do we.

What differentiates us is our focus that leverages our core value strengths. It's our **A.C.E.**:

ACCOUNTABILITY – Offering a diverse range of services, individually tailored to our clients' specific needs, we have built a reputation where clients entrust us to unfailingly deliver, without fail, ethical handling of investigations, and ensure that claims are dealt with-thoroughly and fairly-while at the same time protecting their best interest.

COMMITMENT – Whether you need professional services to conduct insurance fraud claims, litigation support or employment screening, it is essential to employ the services of a reliable and reputable company. At Whitehall Investigations America our entire investigative team and network of professional affiliates can give you the results you need for real peace of mind.

EXPERIENCE – The tremendous variety of backgrounds and on-going training amongst our team associates is why we are able to offer such a wide range of services. Highly skilled and knowledgeable, each member of our staff is proficient and equipped with the most advanced tools necessary to aid in collecting and protecting evidence along with database research information needed in any surveillance scenario offered.
